

Willamette Valley Medical Center is driven by our mission of *making communities healthier.*® We are dedicated to providing high-quality care close to home and investing in our region's overall well-being. Our teams are committed to embodying our core values and improving the health of all those we serve. We feel privileged to be part of this community, and we take seriously the role we play in providing compassionate, accessible care to patients and their families.

With the support of Lifepoint Health and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. We look forward to further enhancing how we serve our neighbors today and for generations to come. Thank you.

Michael Mulkey, CEO

2023 Community Benefits

Added 43 employed and independent providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in family medicine, general surgery, internal medicine, OB/GYN and pediatrics.

Made nearly \$9.2 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included a new nurse call system, an energy management project and a \$9 million expansion to the H.R. Hoover, MD, Cancer Center.

Distributed a payroll of \$57,483,944 to approximately 520 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

Donated nearly \$7.7 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

Paid \$10,618,942 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

WVMC honored our team's veterans with a Veterans Day ceremony. The American Legion Honor Guard marched into WVMC with our nation's flag and flags for each branch of service.

WVMC's leadership wore red to celebrate Heart Month and raise awareness about heart disease.

Sponsorships and Donations

It was our pleasure to be able to support the following activities and organizations during the past year:

- Chemeketa Community College – BSN Program
- Henderson House Services for Victims of Domestic and Sexual Violence
- Juliette's House Child Abuse Intervention Center
- Linfield University School of Nursing
- Linfield University – Wildcat Athletics
- McMinnville Chamber of Commerce
- McMinnville Lions Club
- Provoking Hope – Addiction Recovery
- Willamette Valley Cancer Foundation
